Lucida 1350 CANOPY

Safety Advice

- ❖ Please follow the instructions as listed in this manual.
- ❖ Sort the parts and check against the list of contents.
- ❖ For safety purposes we strongly recommend that the product will be assembled by two people.
- ❖ Do not attempt to assemble the canopy in windy or wet conditions.
- ❖ Always wear shoes and safety goggles.
- ❖ Dispose of all plastic bags safely – keep them out of reach of small children.
- ❖ Keep children away from the assembly area.
- ❖ Do not attempt to assemble the canopy if you are tired, have taken drugs, medication or alcohol, or if you are prone to dizzy spells.
- ❖ When using a stepladder or power tools, ensure that you follow the manufacturer's safety advice.
- ❖ Ensure that there are no hidden pipes or cables in the wall before drilling.
- ❖ Please consult your local authorities if any permits are required to erect a canopy.

Cleaning Instructions

- ❖ When your canopy needs cleaning, use a mild detergent solution and rinse with cold clean water.
- ❖ Do not use acetone, abrasive cleaners or other special detergent to clean the panel.

Note:

You are solely responsible for determining whether the handling, storage, assembly, installation or use of this product is safe and appropriate in any location or for any given application. Bay Plastics Ltd is not responsible for any damages or injury to you, any other person or any property resulting from the improper handling, storage, installation, assembly or use of this product, or the failure to follow our written instructions regarding the handling, storage, installation, assembly and use of this product. This product is intended for normal residential use only. Do not use this product for any application that is not recommended in these instructions or building codes in effect in location where this product will be used. Always take care and use appropriate safety equipment (including eye protection) when assembling or installing this product.
